## IS THERE A LIST OF MBC SUPPORTED MISSIONARIES?

MBC currently supports many long-term individuals and families serving in a variety of locations in the U.S and abroad—some in unreached contexts where there is hostility towards the gospel. We seek to care for our missionaries in a tangible way. One way to serve our sent ones is through our Missionary Care and Advocacy Teams (see above). To see the full missionary bios and giving links of those we can share publicly. (PDF of missionary bios coming soon).
