

# MEDICAL MISSION TRIP OPPORTUNITIES 2020

---

Medical Missions Team and Global Impact seeks to mobilize the MBC family to play our role in the Global Church well to the Glory of God. We believe that each follower of Christ is called to use the gifts we have received from God to serve others (1 Peter 4:10). As the medical team, our purpose is to join God where He is already working to fulfill His purposes through our support of churches and pastors, medical institutions, and health care providers in need around the world.

We have opportunities in a variety of locations all over the world. If you are interested in learning how to get involved, please contact [Dr. Melinda Kelly](#).
