1. When the disciples saw Jesus sleeping through the raging storm? How do you think they felt? How would you have felt?
2. Jesus told them in verse 35 that they would go to the other side of the sea. Do you think the disciples showed that they trusted Jesus when they were afraid? Are there times when it is hard for you to trust Him? What do we know is true that shows that we can trust God?
3. Things can seem scary right now, but there are so many verses in the Bible that tell us we can trust God because He is in control. As a family, work together to look up some of these verses and write them down on different pieces of paper. Then hang them up around the house to remind you. Work as a family on memorizing these verses over the coming weeks.
4. Spend some time as a family praying over any current worries or fears. Pray that no matter what circumstances you might face, whether it is good times, hard times, scary times, or certain times, that your family would trust God.
