PEACE IN THE MIDDLE OF A PANDEMIC  
PART TWO - MARK 4:35-41

We are so thankful for you leaders and your willingness to lead students, especially in these crazy times. The conversation this week is looking at the story of Jesus calming the storm. A great thought to think of this week is to remember YOU ARE NOT ALONE. He guarantees to get you through any storm if you trust in him. He is in the boat with you.

## PERSONAL

- How has your time with God been this week? What have you learned?
- What has inspired or encouraged you this week? What was your "high" this week?
- What has been weighing on you this week? What was your "low" this week?
- How have you struggled with sin or temptation this week?
- How have you shared Christ with and/or shown God's love to others this week?
- How have you been using your time this week?
- How can we pray for you or serve you (advice, encouragement, support) this week?

## SPIRITUAL

- Take a moment to read Mark 4:35-41. Then as a group, record as many observations about the passage as you can.
- Based off of your observations, what is this text saying? What does it mean?
- What does it look like to fear the Lord on a practical level? How should this change the way we live?
- Throughout the course of our lives we will find ourselves in this place, we are either in a storm, approaching a storm, or just coming out of a storm? Where are you right now, and how do Jesus' actions and authority in Mark 4 change our perspective?
