January 2021

Tyson's

Welcome to McLean Bible Church. Normally we're one church that gathers in various locations across the DC Metro area, but because of COVID-19 and social distancing, we haven't been able to gather physically like we normally do. We look forward to the opportunity to meet you in person one day, but for now we're so glad you joined us online or worship gatherings in person. Today, we want to provide you some clear next steps, resources, and live online classes for you as you seek to learn more about Jesus and grow your relationship with him. We also want to invite you to get connected with us. We're a church family committed to staying together, and we'd love for you to join us. INFO: mcleanbible.org/getconnected

OUTREACH MINISTRIES

COVID OUTREACH

In the midst of a global pandemic, we want to be a clear picture of God's love across our city. Therefore, we are coordinating a church-wide effort to provide food and hygiene products to neighbors and communities in need. We have a network of relationships with schools and other churches, and they have shared with us about the need for food for children in light of them not being in school, and for families in light of various challenges at work. As a result, we are working closely with local officials according to CDC guidelines to pack and deliver helpful products to communities across our city.
