FAMILY CHALLENGE
Judges 17:6 and 21:25 tell us that in those days there was no king in Israel and everyone did what was right in his own eyes. Many wicked things occurred during those days. Why is it dangerous for us to rely on what is right “in our own eyes” apart from what God’s Word says?

Search for an instruction manual around the house – race to see who can find one first! (If you don’t have one, please find one online). Look at the steps and discover what the instructions are for. When the creator of an item gives you instructions on how the pieces are to be put together or how things need to be set up, would it be better to follow your own ideas or to follow the instructions they provide? Why?

Read the following verses: Psalm 119:105, Psalm 32:8, 2 Timothy 3:15-17, Proverbs 8. Write down what they say about God’s instruction. (Parents, include any other verses you’d like that speak of God’s instruction from His Word). God is our Creator. His wisdom is far more infinite and vastly greater than wisdom a human being could ever have.

Read the following verses: Psalm 147:5, Isaiah 40:28, Psalm 145:3, Romans 11:33-36. After reading these verses, write down reasons we must follow what is right in God’s eyes, from His Word, instead of following our own ideas/understanding apart from His Word.
