church groups

We want every member of MBC to experience the deep, healthy community that we read about in the New Testament – it's what we were made for.

We are committed to caring for the spiritual health of the body of Christ by creating and strengthening opportunities for biblical community for every group member at every MBC location. We believe that Church Groups can help us experience the strengths of a large church and yet offer the family relationships of a small church community so that no one slips through the cracks.

At MBC, a Church Group is a group of people who commit to Caring for one another, Growing together to become more like Jesus, and Making disciples together on mission in the world (“C-G-M”). Church Groups are designed to be representative of the entire body of Christ, including men and women of all ages and backgrounds, married and single, and families with and without children in the home. Groups meet in all kinds of places and are all different sizes, although they typically range from 3-30 people.

All Church Groups will look a little different. Yet, all Church Groups commit to building biblical community. To care for one another well, we must know one another. We spend time together and build communities that care for both for physical and spiritual needs. All Church Groups commit to spending time together in and around God's Word. We often discuss sermons from the previous week and help each other apply what we are learning. And, all Church Groups commit to deeper sharing and prayer. We spend time sharing how we are really doing, supporting one another, and praying for and with each other. We send each other out to make disciples.

The best way to get connected to a Church Group is to attend MBC Connect. This three-week class is designed to orient you to MBC and answer questions you might have about what it looks like to be involved in the life of our MBC family.

Some of the key topics we will cover in MBC Connect include the vision, mission, and direction of the church. We'll explain how to get involved through serving. We'll share an overview of our churchwide ministries. And, we will help you get connected to a Church Group where you can find a smaller community committed to caring for one another, helping one another grow to be more like Jesus, and making disciples together both in the DMV and around the world. Please join us!

THE ROCK STUDENT MINISTRIES

MIDDLE SCHOOL AND HIGH SCHOOL STUDENTS, GRADES 6-12

The teenage years are a critical time. Many adults look back on middle or high school as when they took ownership of their faith and really started following Jesus. Yet during those years the world throws everything it has to offer at teenagers, and we don't have to look far to find horrifying statistics about students walking away from the faith. The Rock partners with parents to help our teenagers walk with Christ. We help them find friendships with other believing students, build a firm foundation for a life following Jesus, and even point their friends to faith in Jesus too.

FOOD DISTRIBUTION

After distributing millions of pounds of food in vulnerable communities during the peak months of COVID, we continue to use food to meet physical needs and share the Gospel. Volunteer roles include helping prepare the food for distribution, driving it to the distribution site, and handing it out in the community. For information about volunteer opportunities or if you would like to donate food, please email us.

LAZARUS COMPUTER MINISTRY

Our mission is to provide computers to individuals, families, ministry and missionary partners unable to afford computers. This equipment helps to provide people access to needed information, show God's love and spread the gospel. Lazarus Computer Ministry is in need of computer donations, in particular working laptops and desktop computers that are less than 8 years old. All donated computers are erased as part of the refurbishment process.
