church groups

We want every member of MBC to experience the deep, healthy community that we read about in the New Testament – it’s what we were made for.

We are committed to caring for the spiritual health of the body of Christ by creating and strengthening opportunities for biblical community for every group member at every MBC location. We believe that Church Groups can help us experience the strengths of a large church and yet offer the family relationships of a small church community so that no one slips through the cracks.

At MBC, a Church Group is a group of people who commit to Caring for one another, Growing together to become more like Jesus, and Making disciples together on mission in the world (“C-G-M”). Church Groups are designed to be representative of the entire body of Christ, including men and women of all ages and backgrounds, married and single, and families with and without children in the home. Groups meet in all kinds of places and are all different sizes, although they typically range from 3-30 people.

All Church Groups will look a little different. Yet, all Church Groups commit to building biblical community. To care for one another well, we must know one another. We spend time together and build communities that care for both physical and spiritual needs. All Church Groups commit to spending time together in and around God’s Word. We often discuss sermons from the previous week and help each other apply what we are learning. And, all Church Groups commit to deeper sharing and prayer. We spend time sharing how we are really doing, supporting one another, and praying for and with each other. We send each other out to make disciples.

The best way to get connected to a Church Group is to attend MBC Connect. This three-week class is designed to orient you to MBC and answer questions you might have about what it looks like to be involved in the life of our MBC family.

Some of the key topics we will cover in MBC Connect include the church’s vision, mission, and direction. We’ll share an overview of our churchwide ministries and explain how to get involved through serving. And, we will help you get connected to a Church Group where you can find a smaller community committed to caring for one another, helping one another grow to be more like Jesus, and making disciples together both in the DMV and around the world. Please join us!

THE ROCK STUDENT MINISTRIES

MIDDLE SCHOOL AND HIGH SCHOOL STUDENTS, GRADES 6-12

The teenage years are such a formative time. Many adults look back on middle or high school as when they really took ownership of their faith or started following Jesus. Yet, it is no surprise that during these critical years the world throws everything it has to offer at students. Here at the Rock, we partner with parents to help our teenagers walk with Christ even in the midst of opposition. We aim to help students build a firm foundation for a life following Jesus, find friendships with other believing students, and even point their friends to faith in Jesus too. For more information check out our webpage.

Each weekly session will prompt the reader to learn about and pray for MBC missionaries, MBC partner organizations, and some of the least evangelized regions in the world. Please join us in prayer for the nations!

MID AND LONG-TERM SENDING

We believe the local church should be the center of sending, shepherding, and supporting God's people who serve in cross-cultural contexts. Mid-Term Sending refers to individuals who will spend two months to two years serving in a cross-cultural context. Long-Term Sending refers to individuals who will serve in a cross-cultural context for 2+ years. If you feel the Lord may be leading to serve in these ways, please review the guidelines for MBC missionaries and fill out the Intake Form at mcleanbible.org/globaloutreach.

RADICAL

Jesus calls us to make his glory known among all nations by making disciples and multiplying churches. Being on mission is not simply a compartmentalized program in the church, but the calling of our lives as Christians. However, 3.2 billion people are currently unreached with the gospel, and many of them endure unimaginable suffering. Radical exists to equip the church to be on mission. We do this by providing:

- Biblical resources to help develop mature Christians and healthy churches
- Trusted avenues to financially support work among the unreached
- Sound training to go effectively to the unreached
